# BIO

Lynx is a Hard Rock / Glam Metal four-piece band currently based in Calgary, Canada formed in 2020 during the pandemic. The band is currently fronted by Jagur on vocals, Blade on guitar, Fangs on bass & Flash on drums and percussion.

Connected by a shared love of 80s hair metal and hard rock, the band immediately set about writing original songs that embody the style and swagger of the past, while embracing the polished production and down to Earth grit of their more modern rock influences. Lynx released their first self-titled EP on February 2021 & their second EP titled "Long Live Rock & Roll" on September 2021 with Bullhorn Records, Canada. The band has gained popularity through many live performances within Canada and various reviews on many media platforms in Europe & North America. The band had their first west coast Canadian tour from February to April in 2022. Lynx also played in Alternative Waves Music Festival in Medicine Hat, Alberta and at Decimate Metal Festival in High River, Alberta in 2022.

Having gained a reputation for their anthemic choruses, sizzling guitar solos and powerhouse vocals, Lynx have garnered a dedicated and eclectic international fan base. The band aims to build on the momentum created by their released music and push their sound into even more extreme and rock and roll places.

“A brilliant release that defies expectations and stays true to the band’s sound, Lÿnx's debut EP is the sound of a band finding their feet amongst turmoil, and if they can do the same for their album, it’s going to be one hell of a ride.” - Thomas Bedward

“All in all, this is an excellent debut that was recorded in the most trying of circumstances and I am already looking forward to the first full-length Lÿnx album.” - Sparky

“An incredible band from Calgary, Alberta!” – DJ Addam

— [Lurch’s Lair Radio Show, 99WNRR](#)

“The sound is so rampaging and full of impressive energy – as they rip down the mic and shred the speakers off their hinges – they are full-on and smash in hard with a classic vibe throughout.”
